The screenshot shows an iPhone screen with the status bar at the top displaying signal strength, Wi-Fi, and battery at 89% at 1:29. The app's header is 'Cards on file' with a back arrow. The main content is a white 'Add Payment Method' form. It contains four input fields: 'Card number' with the value '4111 1111 1111 1111' and a Visa logo; 'Expiry' with the value '09/28'; 'CVC' with the value '123'; and 'Postal code' with the value '20715'. A grey 'DONE' button is located at the bottom right of the form. Below the form is a dark grey bar with a white plus icon. At the very bottom, a standard iOS keyboard is visible, showing numbers, symbols, and a green checkmark button.

Your purchase will be charged to your card on file and you will be taken to the Success page. You'll also receive an email verification.:
